

## On This Side Of The Sun

By Phat

Forget who told me this and perhaps it's just as well, but anyway, the gist of it was that the Yanks are bringing home the bacon—they've already got the Rhine. . . . Yes, that's what I said, too.

**THE VILLAGE**—Judge Guy Pinney and wife, Maud, weren't seen in their usual haunts yesterday. They were away celebrating. Twenty-fifth wedding anniversary. . . . Found a strawberry almost as big as a plum on my desk Monday. First of the season grown by Walter Illick. . . . Carl Lykken was termed the smartest man in town this week. He had sense enough to retire and stay retired, it was pointed out. . . . Have you seen that Dog About Town? That Dalmatian that trots up and down the sidewalks of the Drive, paying attention to nobody? He's just hunting for his master, Ed Stevens.

**UNJUST**—George Housman brought in a copy of the Portland Oregonian in which columnist William Moyes takes a crack at Palm Springs for the "lush" life people are living here. He quotes: "well-heeled nervous wrecks" who complained of the high price of fun. He didn't mention the visitors who come to vacation here and then do war work, too. Mrs. Armand Turon told of two women from the northwest, here for a winter rest, who are the most faithful workers the Red Cross production room has.

**MUSIC**—Picked up a detective thriller last Saturday afternoon and blithely tried to pick who dun it until 9 p. m. Then turned on the radio to get the Hit Parade, only to remember that, starting last Saturday, it now comes on at 6 o'clock. So missed it. My stand-by operative who is supposed to listen too, in case I do not, also forgot the hour, so don't know what my two "lonely" picks did. But I do know that a song I started plugging last July and was laughed at by musicians, was on the air eight times. Last Saturday and Sunday. It's "My Heart Sings" and if it ever gets on the Parade, am I going to laugh! . . . It's just the scale, but good. Seems to me there was another song long ago that was only the scale. Remember that one?

**THIS AND THAT**—The OPA urges renters to save their rent receipts and cancelled checks. Says that when ceiling prices are adjusted, these will help greatly. The internal revenue bureau also says they will help—in checking income tax returns. . . . There are a lot of people in Palm Springs who don't care if it does rain occasionally and they can't get out. Practically every wedding story in the Los Angeles papers ends with the sentence: "They will spend their honeymoon in Palm Springs."

**VISITORS**—Mike Todd, who put on "Up in Central Park," top Broadway musical, was a prominent vacationer here, spending most of his vacation dicker with the movies over screen rights. . . . Bob Hope, who has been hanging around the Village for the past few weeks, taking his first rest in months, is the most popular visitor the army air base has ever had. Even if he did rib the flyers in his Tuesday broadcast. . . . Mrs. Mallory Enos, here for her first season from Los Angeles, is setting some sort of a record. As an A.W.V.S. worker, she appointed herself the one-woman staff of a War Bond table in the Desert Inn lobby. Her Bond sales are nearing the \$20,000 mark. She rarely misses a day there.

**FAN MAIL**—In line with Earl Coffman's slogan: "Make Palm Springs more attractive for attractive people," this message from Bert McGovern, annual visitor is interesting: "People go where they are invited and stay where they are well treated." . . . "Sir, you are always bragging about sights to be seen around Palm Springs. I saw one on the Drive this week. Since she wasn't covered by much else, she should have been covered by a city ordinance." . . . Must have missed that one. . . . "Speaking of that popular song, why can't cigarette clerks heed it and 'eliminate the negative'" writes another.

### Village to Close 3 Hours Good Friday

Most Village business houses, with the exception of places serving meals, will close for three hours from noon to 3 p. m. on Good Friday, March 30, under a program now being drawn. The closure follows a plan adopted by many cities to commemorate the Three Hours on the Cross. The committee in charge reported cooperation from all merchants visited to date.

## Better Palm Springs Aim Of Chamber

Initial Steps for Rigorous Drive Taken This Week

Initial organization steps for a "Better Palm Springs" program were taken Tuesday at a meeting at the Chamber of Commerce and complete plans will be set up at a special meeting of the board of directors of the Chamber next Tuesday.

Carl G. Lykken, retired business man, was named chairman of the Better Palm Springs program and chairmen of nine subcommittees will be named Tuesday.

### DRIVE IS LAUNCHED

The campaign was set in motion Tuesday when Earl Coffman, Robert Ransom, Earl J. Smith, Carl G. Lykken and Walter Kofeldt, Chamber secretary, met at the Chamber offices.

It was announced that Mr. Smith, who came to the Village to handle the Palm Springs Community Hospital campaign, would have charge of the active mechanics of the campaign. Mr. Coffman and Mr. Ransom have been working on the ground work of the plan for several weeks and the program is in excellent shape.

The project is two-fold in scope. It calls for a clean up and sprucing up of Palm Springs now and for postwar development.

A slogan, coined by Mr. Coffman, of the Desert Inn, has been adopted. It is:

**Make Palm Springs more attractive for attractive people.**

The housing situation, a general "doling up" of the Village and surrounding area, additions to the Chamber staff, added office hours at the Chamber designed to give seven-day service up to 9 p. m. daily, employment of attractive waitresses in uniform to greet visitors at the Chamber, are among some of the immediate plans.

### PLAN MORE SERVICE

It is also planned to extend the housing service which Mr. Kofeldt and his assistant, Miss Ruth Jones, at the Chamber office have been effectively carrying on. The Chamber will continue its work of finding accommodations if any, for visitors and do everything possible to extend the city's hospitality.

The full program will be presented to Chamber directors Tuesday.

## P. O. Directional Sign to Go Up

Walter Kofeldt, secretary of the Chamber of Commerce this week received word from E. Q. Sullivan, district highway engineer with offices in San Bernardino, that Mr. Kofeldt's request for a post office directional sign on Palm Canyon drive at the Plaza, had been granted.

The Automobile Club of Southern California will erect the sign.

## Welfare Group Re-Elects Heads

Entire slate of officers of the Welfare and Friendly Aid association was re-elected when the organization held its annual meeting at the Health Center, east Amado road, last week.

The officers are: Mrs. Harold Hicks, chairman; Mrs. James B. Oliver, vice-chairman; Mrs. Charles B. Hinkle, treasurer; Mrs. John R. E. Chaffey, recording secretary; Mrs. O. M. Ward, corresponding secretary.

Mrs. Charles Burket having resigned as chairman of the House of Friendly Aid, Mrs. Hicks appointed Mrs. George B. Davies in her place. Mrs. Burket was given praise for the excellent job she did at the Friendly Aid House for the past three years.

## Expansion Job Begins At Torney

Expansion of Torney General Hospital got underway this week when men of the enlisted section moved into the former training area south of Tamarisk road and conversion of their barracks into hospital wards was begun to provide more hospital space for incoming battle casualties.

Additional immediate construction plans for the hospital include a new camp type library for which ground was broken Tuesday morning. This building will increase the hospital's library facilities and will be more centrally located for the convenience of patients.

Contract for a complete living and recreation unit for the hospital's Women's Army Corps detachment has also been let.

E. L. Stevens, administrative assistant of the Civilian Personnel Branch announced this week that carpenters, painters, other construction workers and garden workers are now needed at the hospital. Application should be made at the Civilian Personnel office on Indian avenue north of the main entrance to the hospital.

## Call for Help In Red Cross Drive Issued

Need for more workers to put across the annual Red Cross fund campaign was emphasized at Wednesday's meeting of directors of the Palm Springs branch of the Red Cross.

Goal in the local drive is \$26,910—and the quota is far from being attained today.

Plans to speed up the drive were being taken by Carl Haymond, finance chairman of the Branch who has succeeded in oversubscribing the local quota in past years and expects to do it again.

"But it will take hard work and many more workers than we have now," he said.

Volunteers who will get out and help the campaign are asked to get in touch with Red Cross headquarters.

## Tramway Discussed At Riverside Session

Earl Coffman, Francis F. Crocker and John R. E. Chaffey attended a meeting Tuesday night of the Riverside chapter of the Sierra club, explaining and outlining to them the Mt. San Jacinto Tramway proposal. The Sierra club had previously opposed the measure.

It was pointed out that the objectives of the two groups were identical to preserve the primitive areas but to make them accessible without spoiling their natural beauty.

## All Set!

Village Schools Await V-E Day

When V-E-Day comes for the war in Europe, schools of the Desert School District will fly the recently designed United Nations flag on school flag staffs right beneath Old Glory.

Miss Katherine Finchy, superintendent of the district, said this week that the district had received four United Nations flags and that preparations were to fly them with Old Glory the minute news comes of the Victory in Europe.

The new United Nations Honor Flag consists of a white field with four horizontal red bars, symbolizing the 44 United and Allied nations.

Miss Finchy said that students in the four schools of the district, Frances S. Stevens, Nellie N. Coffman, Cahulla and Cathedral City had their plans all mapped to display the United Nations Honor flag the moment V-E day arrives.

## Reach Half Way Mark For Hospital

\$108,114 Total Wednesday; Great Premiere Next

Two outstanding items this week marked the progress of the Palm Springs Community Hospital drive toward its \$200,000 goal. One was that the campaign had passed the half-way mark with a few thousand to spare and the other, the big premiere of Col. Robert L. Scott's story "God Is My Co-pilot" at the Plaza theater March 21.

Earl J. Smith, counselor and coordinator for the campaign announced that, as of Wednesday noon, \$108,114.00 had been pledged. This included three groups already over their quotas.

### THREE TOP GOAL

Added to the Episcopal church and the Hotels group which were announced last week as ahead of their quotas, was the Masonic club this week which topped its goal by 20 per cent.

Other organizations were moving along toward their quotas and when all have fulfilled them, the \$200,000 needed to build, equip and maintain the hospital in its initial stages will have been reached.

### PREMIERE DRAWS THEM

The premiere of Warner Brothers' "God Is My Co-Pilot," a thrilling film story from the book by Col. Scott, is attracting much attention. A \$25 subscription to the hospital fund entitles the donor to a pass to the show. Many of these are now coming in and by the time the day of the premiere rolls around, a packed house will be assured.

Bob Hope will be Master of Ceremonies at the show and Major Richard Bong, World War II ace, is expected to be here as is Col. Jack Warner of Warner Brothers.

### TELLS GRIPPING STORY

The picture tells the story of Col. Scott's flying career to date from the time he first experimented with flying by jumping from a barn roof with an umbrella to his final exploits in China before returning home.

Dennis Morgan plays the part of Col. Scott in the film and others prominently cast are Dane (Please Turn to Page 5)

## Brother and Sister, Both in Uniform, Meet At English Air Field

Brother and sister, both in uniform, son and daughter of a Palm Springs woman, got together in a meeting thousands of miles from the Village recently, when they met at a European Division, U. S. AAF Air Transport Command base in England.

The brother was Sgt. Charles Bonner, and the sister, Pvt. Betty Bonner. The mother of both is Mrs. Sue Bonner of Palm Springs.

The meeting took place at an ATC base where Betty is a company clerk. Her brother is with a bomb group, also stationed in England.

Pvt. Betty Bonner entered the service in April, last year, and received her basic training at Fort Des Moines, Iowa. She arrived overseas in December, 1944, and was assigned to the European Division, USAAF ATC.

She was honored a month ago when a British four-motor Lancaster bomber, was named in her honor. It is called "The Betty Bonner Berlin Buster."

Pvt. Bonner is a graduate of Palm Springs high school. Before entering the service, she was a telephone operator.

**PREPAREDNESS**—Bob Hope buys a ticket for his own golf match with Bing Crosby, Sunday, from Lt. Louis Olshansky of the 21st Ferrying Group. The headgear is for protection if Bing should try to bounce one off the Hope noggin. The boxing gloves are for Crosby to wear when the tourney is played Sunday.

## Famous Stars Meet Sunday In Golf Play

One of the largest galleries to follow a foursome on the famous O'Donnell Golf course is expected to assemble Sunday when those two comedian screen, radio and the fairways, Bob Hope and Bing Crosby team up with a pair of servicemen from the 21st Ferrying Group base here to battle for charity's sake.

### STAR GOLFERS

Bob Hope will have Captain Jack Anderson, Bel-Air golfer and 1937 Junior champ, on his side while Bing Crosby will have the services of Sgt. John Oliver, Dallas and Fort Worth amateur ace, with him.

Both the captain and the sergeant are zero-handicap men but when Hope and Crosby get their verbal feud underway, their

## Rodeo Week To be Started Next Monday

Western Week in anticipation of the gigantic Rodeo to be staged next weekend at the Field Club, will start next Monday and throughout the week the colorful costumes of the range and ranch will prevail in Palm Springs.

Plans for the Rodeo, itself, to be held Saturday and Sunday, were practically completed today. Outstanding performers of big Rodeos all over the country will participate in the events as well as local horsemen and amateur cowhands.

### MANY EVENTS LISTED

Besides all of the regular Rodeo events such as Brahma bull riding, bronc riding, steer wrestling, calf roping, clowns, there will also be quarter horse racing between some of the finest two-furlong runners in the country.

The stock to be used is the same which last Sunday thrilled 62,000 spectators at the Los Angeles Coliseum and which caused Los Angeles sports writers to say it was the best stock used in a Rodeo in that city.

### FIRST EVENT

The Rodeo is the first event in the newly acquired city-owned Field Club and its sponsors are planning to make it a mark to shoot at. The affair is jointly sponsored by the Los Compadres club and the American Legion. Tickets went on sale this week at leading stores, hotels and next Monday ticket booths will be placed at the Bank of America and Desmonds. Women of the two sponsoring organizations will handle the ticket sales.

Next Friday a giant parade, a real Western event, will be staged. It will start at 2 p. m.

Pvt. Goff received his wounds on the sixth day of the battle for the barren rock, key to increased air raids on Tokyo and the Japanese mainland.

## It seems to me

THE idea about  
A sightseeing tour  
IS gathering more  
AND more approval  
AS this spring weather  
PROGRESSES.  
MUST admit the idea  
IS not original with me.  
AND also have to admit  
THE idea seems better  
AFTER everyone comes in  
WANTING to know  
WHEN such a plan  
CAN be put into effect.  
WELL folks, I always says  
THE sooner the better.  
NOW let's see—  
WHO is going  
TO come forward  
WITH a horse and wagon  
AND start hauling  
THESE sightseers around.  
IF there is anyone,  
WITH a suitable horse and  
WAGON for such a purpose,  
LET them come forward—  
BECAUSE there are  
A few local merchants  
WHO are keen  
ABOUT the plan  
AND who are willing  
TO back it financially.  
LET'S get busy  
ON account of there are  
A lot of people  
A bustin' to take  
THE first ride.

## Don Pendery Wins Commission at N. Y. Ceremony

When speaking of Donald Worthen Pendery, son of Mr. and Mrs. Horace F. Pendery of Palm Springs now, call him Ensign Pendery.

He was among a large group of midshipmen commissioned at ceremonies at the Cathedral of St. John, the Divine, New York City, on March 8.

Ensign Pendery received a gold watch from the Society of American Wars for high academic achievement in Engineering.

Principal speaker at the ceremony was Rear Admiral D. C. Ramsey, USN, Chief of the Bureau of Aeronautics. The officer's oath was administered by Commodore John K. Richards, USN, Commander, U. S. Naval Reserve Officer Training Center, New York, N. Y.

In a message to his parents here, Commodore J. K. Richards of New York Midshipmen's school said that the watch was awarded for honors earned on the U. S. Prairie State, a training ship stationed in New York harbor.

The young Villager was second in a class of 400 engineers.

He will take a short course in Radar at Bowdoin College, Maine, and the Massachusetts Institute of Technology before receiving his assignment.

Ensign Pendery attended the local grammar schools and graduated from Palm Springs high school.

## Palm Springs Man Plays Large Part In Aerial Attack

S/Sgt. F. E. Dapron of Palm Springs, son of Mrs. May B. Westover who now resides in Couer d'Alene, Idaho, was a radio operator with the 137th Troop Carrier Group, known as the "Jungle Skippers" in their recent successful mission of dropping paratroopers, ammunition and supplies on Corregidor island, according to word from the Fifth Air Force headquarters in the Philippine Islands.

On Friday, February 16, the C-47 transports of the "Jungle Skippers" flew through a pattern of anti-aircraft and small arms fire from hidden Jap positions in tunnels and caves on Corregidor and dropped their cargo squarely onto the target which was the smallest of dropping targets in the history of airborne operations.

Sgt. Dapron was also a crew member in one of his unit's planes when the "Jungle Skippers" dropped paratroopers of the 11th Airborne Division over Tagaytay, some 20 miles south of Manila, enabling them to make a coordinated attack against the city from the south, a few days prior to the recapture of Manila by our forces.

The "Jungle Skippers", now based on Leyte Island, are under the command of Brig. Gen. Paul H. Prentiss, commanding general of the Fifth Air Force Troop Carrier Command. Sgt. Dapron has served with the Group since leaving the States for overseas duty in November, 1944.

## Son of Villagers Wins Promotion At Pacific Base

Samuel W. Bradstreet, Jr., son of Dr. and Mrs. S. W. Bradstreet of Palm Springs, has been promoted to the rank of major, according to word from the headquarters of the 13th army air force in the south Pacific.

Formerly employed by the Solar-Sturges Manufacturing company of Belwood, Ill., he entered the service in August, 1941. He studied at Caltech where he specialized in meteorology and went overseas to a Netherlands East Indies base in 1944.

## TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs

By PFC. TED W. ENGSTROM

### MILITARY BAND ORGANIZED IN SCU 1976

Calling all Bandmen—drummers, trumpeters, clarinetists, tuba tooters and piccolo players. An all-military band is in the process of being organized through the suggestion of Prov. Bn. Commander, Major Samuel Levin, by Cpl. John S. Sheets, member of the command, who has had considerable band experience.

The band is being organized to play at various official hospital functions, to present concerts for patients and fill a schedule of proposed engagements. Instruments, music and equipment will be purchased, together with the instruments and material already at hand. It is expected that a special band room in the new enlisted section will be set up for rehearsals for the group.

Interested bandmen may contact Cpl. Sheets through the charge of quarters.

### TO SKETCH PATIENTS

The well-known artist and illustrator, Irving Nurick, arrived at this hospital today and will be here until March 24 to tour the wards and sketch portraits of the patients. This is part of USO Camp Show's hospital sketching program in which prominent artists are participating throughout the country.

Nurick, who has a son in the service, has done over 100 30-minute crayon sketches of service men, and then most of them want him to do a caricature on the side.

Collier's used him to illustrate Hugh Wiley's Chinese detective stories and he also did a series of the widely read "Maudie Stories" in the Ladies Home Journal.

### TO BE ENTERTAINED

The bedridden GI is often very much the forgotten man, especially when entertainment and parties are the considerations involved. Not so at Torney, if the combined efforts of the local Red Cross staff and the Special Services Branch can do otherwise. Many outside social and philanthropic groups contribute to this program of ward entertainment.

The Pasadena Lodge No. 672 Elks, are bringing their group to Torney on next Sunday, 18 March, to cover as many wards as possible during the afternoon. The offering will include comedy song and dance numbers.

The following Sunday, 25 March, the Communications Corps of America will bring their talent-studded show to the hospital to play Wards D15, 6, 7 and 8, and probably a performance for all ambulatory patients at the Post Theatre.

Both of the above mentioned groups made important contributions to the hospital Christmas program for the patients during the past holiday season.

### PARTICIPATE IN BROADCAST

The Desert Singers, popular hospital personnel choral group, have been invited to participate in a nation-wide Easter morning broadcast from a nearby mountain side in Palm Springs.

### MUSIC CONTEST

The War Department is constantly cognizant of the fact that a great deal of musical talent and ability exists among the troops stationed in the various installations throughout the country. With that in mind, the Ninth Service Command desires to conduct a contest in the field of

## Cpl. McDaniel Back in Nation From Overseas

Cpl. Edison McDaniel, son of Mrs. Ola McDowell, is back in the United States after 11 months overseas.

His brother, McKinley McDaniel, who entered the army later, has left Baltimore, where he was in training, for an unnamed destination.

The two brothers were only a short distance apart in the east but missed seeing each other. They did, however, get to talk via long distance, Edison from Washington, D. C., to McKinley in Baltimore.

music. A great amount of talent exists that has not been utilized, and the element of competition should be an incentive to music in general and in addition provide interesting programs at various camps and installations.

The TGH music contest will be conducted on Monday, 26 March, at 1900 at the local post theatre. Local professional musicians will judge the quality of the contest entries. Winners of the local contest will be entered in the district contest which will be conducted throughout the Ninth Service Command. Soloists and ensembles to the following groups will be considered for entry in the contest: harmonicas, guitars, accordians, hill-billy novelty bands (limited to five members) and barber shop quartets. Prizes will be given the winners in the local competition.

Further information relative to the music contest can be found on the various bulletin boards or by contacting the Special Services office in the Administrative building.

### "TORNEY TANTRUMS OF 1945"

Men, women, everyone connected with Torney General Hospital—civilian and military personnel alike—are asked to come all-out for our own Hospital-Wide Revue, "Torney Tantrums of 1945," tentatively set for Monday and Tuesday, April 9 and 10. Special Services is sponsoring this great 100 percent home talent musical extravaganza. But you are needed if you can sing, dance, write, do a specialty, juggle, play a zither, or make your nose sound like a Hawaiian guitar, you can be used.

And you writers, or would-be writers: Do you have an old sketch or blackout kicking around in the back of your mind? This is your chance to lambast—or make fun—of the things you dislike about the army. Or your favorite gripes. Every GI has a pet gripe, so you who would write let's laugh at them on the stage.

Don't forget singers, dancers and specialty acts, as well as writers, contact any member of the Special Services department. They are waiting to talk to you. Or, if you're shy of footlights, stage hands, electricians, ward-

IN THE ARMY—Anthony Joseph Andreas, now at Camp Hood, Texas, undergoing army training.

## Anthony J. Andreas Now in Training At Field in Texas

Anthony Joseph Andreas, a member of the Agua Caliente Indian tribe and long a resident of Palm Springs, is now at Camp Hood, Texas, absorbing army training following his induction into the army on February 19.

Andreas will be remembered by many Villagers for his prowess in athletics, especially on the football field. He also starred in baseball. Andreas attended high school at Banning when the local district was still a portion of that union high school district. In athletics he acquired the nickname of "Biff".

He is now married and has four youngsters.

Special Services Pfc. Herb Vigran has been named director of the "Tantrums." Cpl. Vic Blanks, assistant director; Sgt. Dick Tipin, musical director; Mrs. Holloman, wardrobe and costumes; S/Sgt. Russell Genich, business manager; and Lt. Hilda Harrison, publicity.

### CONGRATULATE WAC

"Sis, we're proud of you! Keep up the good work; we're back of you 100 percent."

These, in essence, were the sentiments expressed in a letter received recently by Pvt. Emma M. Welter, Wac Detachment member here, written to her by her seven brothers (count 'em), the youngest of whom is 38—all over draft age. Three of these brothers saw service in the last war, and Pvt. Welter has a number of nephews in service in the present conflict.

"I'm glad I can be the representative of our family in the army. It makes me feel good to know that I can serve in this way," said the Welter family representative.

## Henry S. Reid, Jr. Wins Promotion At Texas Air Field

Henry S. Reid, Jr., son of Dr. and Mrs. Henry S. Reid of Palm Springs, has been promoted to the rank of first lieutenant in the army air force, it was announced this week at the Harlingen army air field, Texas.

Lt. Reid serves in the Historical Section of the A-2 Intelligence at Harlingen.

It was at this same field, Harlingen, on Sept. 3, 1943, that Lt. Reid's hopes to become a combat pilot were doomed on the final day of his long training course. He was accidentally shot in the eye while completing his course at the flexible gunnery school at the Texas field. After a series of operations at Fitzsimmons hospital in Denver and a rest, he re-entered the service and is now again at the Texas field where his ability won him his promotion last week.

## New Rulings for Entertainment of Convalescents Out

New rulings from Washington on the entertainment of convalescing war casualties was read at Wednesday morning's meeting of the Palm Springs Branch of the American Red Cross with emphasis placed on the need for such entertainment.

Chairman Harold West presided.

Many such cases are now eligible for weekend or shorter passes but under certain restrictions. Villagers taking these soldiers into their homes for dinners and entertainment will be given instructions. Some of the men, for instance, are not allowed to go in swimming, others have items listed as forbidden on their diets.

Dr. and Mrs. J. R. Macarney went to Monrovia Sunday to visit their son, Arthur, who has been immobilized at the Sanitarium there for the past six months.

## Palm Springs Girl Scouts Join in Celebration of 33rd Anniversary Of Founding of Group in America

Girl Scouts of Palm Springs this week observed the 33rd anniversary of Girl Scouting in the United States. The Girl Scout movement was brought to America in 1912 from England by Juliet Lowe, its founder. From an original membership of eight at Savannah, Georgia, the national membership has grown 124,000 per cent.

Mrs. John Hookey, Girl Scout commissioner for the Village, said that the Palm Springs Girl Scout organization had shown a tremendous growth, too, since it was founded here.

### FORMED LAST YEAR

The group received its charter in August, 1944, and, under auspices of the welfare division of the Woman's Club, held its first meeting in October, that year, with four registered Girl Scouts as members. Today the organization has 78 members enrolled and is growing as rapidly as new leaders become available.

A training course for leaders has just been completed and Mrs. Hookey said it was so successful that another will be started as soon as personnel is available. Margaret Compton, long in Girl Scout training work, is in charge of the courses.

### ENJOY FIRST HIKE

Brownies, 40 strong, recently enjoyed their first hike under guidance of Mrs. Dorothy Smith. Intermediate Scouts plan a "Cook Out" and overnight camp at the Little Scout House soon.

With Commissioner Mrs. Hookey on the Scout board, are Mmes. A. E. Bailey, Ralph Smith, Frederick Watson, Frank Purcell, Philip L. Boyd, Cecil Isenagie, James Oliver, William A. Lippman and Miss Katherine Finchy. The Advisory board consists of Mayor E. E. Theriault, Horace Penderly and Harold Hicks.

#### But It's Neither Boy Nor Girl

Author H. G. Coulter is doing the customary paternal honors this week, with the slight variation that cigarettes are optional for those who prefer them to the traditional cigar. Another slight variation from the form is the announcement that the new arrival is neither boy nor girl.

For a moment the disclosure leaves a listener non-plussed or something like that. One thinks of queer happenings. What can have gone wrong? And then one is informed that the occasion for the gesture is the recent appearance in book form of a novel by the said author.

### DESPITE WPB

The father of the brainchild wishes especially to express his appreciation of the patience and fortitude displayed by his wife, Evelyn, during the long and trying period of her husband's confinement and labor. Even final delivery was greatly delayed by W. P. B. and various shortages, but everything came out all right in the end.

This latest addition to the family of mystery fiction has been christened "Death Comes to Casanova" in honor of the roguish ancestral prototype of the corpus delicti. The author admits that the opus exhibits certain psycho-analytical symptoms along with marked criminal tendencies which, however, he does not think will be any serious detriment to success.

### OUT IN EAST

While the publishers are giving the book coast-to-coast distribution for review, it is anticipated that the rest of the first edition will be absorbed by eastern dealers near the place of publication. By special arrangement, however, the Palm Springs Book Shop has secured a limited number of the advance copies. Owing to war-time limitations it is very probable that these copies will be the only ones available for purchase in western territory—at least for some time to come.

### Slight Changes Made in Village Mail Schedules

Postmaster R. M. Gorham this week announced slight changes in mail schedules out of and into Palm Springs.

Mail for the south and southeastern states closes at 11 a. m. everyday except Sunday. For the north, west and eastern states, also best for air mail connections, outgoing mail closes at 2:30 p. m. The last dispatch, including mail for all directions, closes at 8:30 p. m.

On Sundays there is only one dispatch, closing at 3 p. m.

Incoming mail is distributed to boxes and general delivery at 8 a. m. and 3 p. m. On Sundays at 3 p. m. only.

This schedule is effective to May 30, said the postmaster.

Cpl. and Mrs. Harold Barkow arrived at their home, 1338 Buena Vista drive, Sunday, with their new son, Harold W., Jr. Cpl. Barkow will return to his post in Alabama this weekend.

Despite wartime difficulties in transportation, in 1944 the California Fruit Growers Exchange sold 207,116 boxes of oranges, lemons and grapefruit in the Territory of Hawaii.

Beginning January 18 all U. S. production of canned grapefruit juice, including blended orange and grapefruit juice, was requisitioned by the government for use by the armed forces.

## Get Acquainted With Your Village Businessman

(Photo by Matloff)

Today we present Councilman Walter Z. Allen, real estate and developer, a Villager of nine years standing, a statement which may be challenged by other tenants of the building where he maintains his office. They say he's always sitting.

Mr. Allen was born in Kansas and he readily admits it was on Sept. 14, 1884. "I'm the youngest old man in Palm Springs," he says.

He soon moved to Tulsa, Okla., where he later started his business career. In 1924 he first came to California, looked around and made yearly visits after that. He sent his folks here on a ranch near Ontario. He came out here for good in 1930. Just before the Long Beach earthquake he sold his property there which classifies him as being somewhat psychic.

Besides a real estate, he is also an inventor and for a time owned many coin amusement machines on which he held a patent. He went into the realty business in 1933.

Came to Palm Springs in

1936, was appointed a member of city council a year ago. Is a Rotarian and a Mason. Now is representative and local manager for the Palm Springs Corporation, extensive property holders here.

Was married in Tulsa, Okla., in 1904 and Walter Z., Jr., now in the U. S. Navy and on the Mariannas, was born in 1905. The first Mrs. Allen succumbed two years ago after a long illness. Last fall, Councilman Allen and Miss Margaret Needham, popular Villager, stole away to Yuma and were married, but had to come all the way back here because there wasn't a hotel or apartment vacancy between here and the Colorado river.

That pretty well bares his life story except the meaning of the "Z" in the middle of his name.

## Plan Field Trip Into Cathedral Canyon Sunday

Those wishing to attend will meet either at the Museum at 10 a. m., or at the Cathedral City arch at 10:15 a. m., Sunday. Miss Christian Lillian, a veteran hiker and naturalist, a resident of Cathedral City, will supervise the trip.

The outing is open to all interested in exploring this region, free of charge.

## Villager Views Home Town Via Army News Reel

Two weeks ago Ensign Robert Williams, son of Mrs. Ada Williams of this city, went to a movie at a Naval base in Hawaii. He went again as long as the picture

he saw then, was on the program. For it brought Palm Springs right across the Pacific to him.

The newsreel featured pictures on last November's general election and two shots of Palm Springs were shown. In one he saw an Indian he used to know while here, strolling up the drive. In the other, he saw a group of horsemen dash up to a polling place, dismount and go in to vote. The polling place was at 215

Chuckwalla road and the dashing horsemen, Elmo Purnell, Joe Butler, Hutch Moseley and Harry Irvin.

The picture was taken by the signal corps and entitled "America Votes". The Palm Springs portion was engineered by Walter Kofeldt, Chamber of Commerce secretary. A "still" of the movie Ensign Williams saw in Hawaii March 1 was shown on the front page of The Desert Sun Nov. 10.

## 2 Burning Trees Call Out Firemen Within Two Hours

Four fires called out the fire department this week and the last one was believed by Fire Chief Bill Leonasio to have been deliberately set.

Two of the fires were almost identical. At 12:03 a. m. yesterday the department was called to the 200 block on North Palm Canyon drive where a palm tree was reported ablaze. It has obviously been caused by a carelessly tossed cigarette.

At 1:50 a. m. yesterday, a palm tree at Tahquitz road and the drive was reported afire. This one, firemen said, had been deliberately set and wondered if possibly the incendiary had taken a cue from the earlier tree fire.

On Tuesday at 6:40 a. m., a culinary accident in the apartment of Esther Zakroff at the El Encanto apartment set a curtain ablaze, broke a window and charred window frame and adjacent walls.

Sunday morning at 5:11 o'clock, a guest, smoking in bed, set fire to bed clothing in his room at the Palm Canyon hotel. Damage was confined to the bedding.

## Student Operetta At Plaza Theater Delights Throng

"Harmony Hall," a comic operetta in two acts, under the direction of Mr. Alexander Hammond, was presented Friday evening, March 9, at the Plaza Theater, by members of the Student Body and faculty of P.S.H.S.

Due to the illness of Marilyn Lockett, her understudy, Gloria Dimond, played the leading soprano role of Rosalie. Miss Dimond's performance as the prima donna adopted daughter of General Work, was unusually fine.

Bob Dart was unsurpassed in his portrayal of Signor Brownini, grand opera tenor; formerly Felix Brown.

### EXCELLENT CAST

John Klug's performance as the globe-trotting Scotch lawyer, McTavish, was unmatched for comedy and character portrayal.

Cherie Mashburn's portrayal of the prim concert pianist chaperon, Mrs. Hammersley Keys, was exactly appropriate.

John Wilson gave an outstanding performance as General Earnest Work, manufacturer of musical toys and honorary president of Harmony Hall.

Violet Fletcher gave the part of Elsa, the general's cook, formerly an opera singer, humor and spice.

Robert Vallier's performance as Doolittle Work, unmusical son of the general, was sincere and charming.

Clara Jane Lyter was vivacious as Maritana, Rosalie's maid and understudy.

Paul Mashburn's reminiscent analysis of the former street band leader, turned Valet Wiggins, was subtly humorous.

### ALL DO GREAT WORK

Bowing and scraping valet and press agent of Signor Brownini, Octave and Wright Story, were represented by Ralph Galzerano and Harold Emigh.

Completing the cast in supporting roles as students of Harmony Hall, were Carol Hainer, Sallie Lockett, Edith Greer, Margie Reineman, Gillar Boyd, Sam Guyton, Dick Moseley and Bobby Jones.

Members of the haughty St. Cecilia choir were Barbara Dodds, Vivian Gautiello, Maryann Gorcester, Ardis Green, Helma Groning, Carol Hainer, Lila Lee Lilley, Sallie Lockett, Petronilla Mutascio, Babs Neel, Margie Reineman, Ann St. Clair, Hazel Veith, and Margaret Walker.

Proud members of the Glee Club included Gillar Boyd, Bill Carey, Wendell Delano, Harvey Gorcester, Sam Guyton, Bob Higgins, Bobby Jones, Eric Liebenow, Norman Mandel, Barry Miller, Dick Moseley, Jack Pender and Billy Sandeffer.

### COLORFUL DANCES

Featured in three colorful dances were Carol Burkett, Barbara Croft, Barbara Emigh, Vivian Gautiello, Helma Groning, Carolyn Hogg, Joanne Hookey, Barbara Inman, Betty Ann Lilley, Lila Lee Lilley, Julie Martineau, Babs Neel, Jeanette Ofstun, Erica Orth, DeLorse Roth, Trudy Sawyer, Ann St. Clair, and Joan Whorton.

Costumes were modern, and the time, the present. The action took place on the lawn between Harmony Hall and the residence of General Work.

The scene for act two was set for a wedding. The P.S.H.S. band played the Bombasto March, by O. R. Farrar, and the Princess of India, overture, by L. L. King, preceding the Harmony Hall overture opening act one. During intermission, the band played the New Colonial March, by R. B. Hall, and Orpheus Overture, by J. O. Offenbach.

### MUSIC IS FEATURE

Band personnel include Henry Greeley, Art Jurado, Neal Crump, Bill Carey, Barry Miller, Frank

## Many Business Items Settled at Council Meeting

Held in room eight during first period, for the first time, the regular weekly meeting of the Student Council was called to order by President Bob Lienau.

Coach Thompson was consulted concerning an award assembly. He announced that basket ball letters will be awarded as soon as all equipment is returned.

It was proposed that a cabinet be made where athletic equipment could be stored.

The committee on handbooks was scheduled to meet some time during the week.

Council reports on club activities were assigned Sallie Lockett, Joe Brummitt, and Warner Moore for assembly on Monday, March 12.

Ed Wills reported on the students' participation in the Palm Springs Community Hospital drive. Presidents are to appoint two members from each class to head the campaign. The competition will be on a class basis.

To be continued at the next meeting is a discussion of requirements for letters in sports.

## Glee Clubs Aid In Easter Dawn Service of Song

Palm Springs on the air! Easter Sunday, at sunrise, has been the goal of local musicians for several years, and at last this ambition has been realized.

Along with fifty other singers, from the various church and club organizations, under the direction of Mrs. Holly Lash Visel, the Girls' and Boys' Glee Clubs of P.S.H.S. will participate in the Easter sunrise services to be held on the hill, behind the Desert Inn, which will be broadcast over the blue network.

The school groups, under the supervision of Mr. Alexander Hammond, have been learning the two anthems, "Unfold, Ye Portals," by Gounod, from "The Creation," and "The Heavens Are Telling," by Haydn-Phillips, from "The Redemption."

Rehearsals with Mrs. Visel, and the other singers, are held at the Community church on Thursdays, at 7:30, and Sundays at 3:00.

The groups' first meetings was held on Sunday, March 10, when Mr. Bill Hay timed and directed the anthems.

Devers, Gillar Boyd, Bob Salazar, Bob Bell, John Wilson, Ralph Galzerano, Larry Pierce, Charles St. George, Dick Doro, Carol Burkett and conductor, Dr. Ernest E. Oertel.

Orchestra personnel, accompanying and providing the musical background for the production, were Mrs. Dorothy Smith, Mr. Henry Greeley, Art Jurado, Art Jones, Dr. E. E. Oertel, Frank Devers and Mary Jo Graefe.

The music and libretto, by Geoffrey O'Hara and Harry B. Smith, formed the basis of the plot centering around the musical college, "Harmony Hall," endowed by General Work on the condition that everyone sing or play a musical instrument.

A finale, repeating the principal numbers, by the entire company, closed the performance.

## Highly Successful Fashion Show, Tea Staged by League

By SALLIE LOCKETT

In a garden setting of white picket fence and trellis entwined with oleaner sprigs and flowers, the third annual Spring Fashion Show and Tea was presented by the Girls' League, in the high school auditorium, Tuesday afternoon, March 13.

Edith Greer announced the program, which included Petronilla Mutascio, singing "Always". Marilyn Crockett sang "In My Garden".

Piano arrangements for the eighteen models were by Mrs. Lois Lux, who played an appropriate medley of tunes, including "Playmate," "Summertime," "I'm an Old Cow Hand," and "By the Sea, By the Sea".

### DONATED BY SHOPS

The outstanding ensembles donated by the leading Palm Springs apparel shops, and accessories from Tiare Tahiti, included a pair of red, pleated, gabardine shorts, with a contrasting red, white and green striped blouse, from Desmonds, shown by Vivian Gautiello. She also wore an apple green pedal-pusher suit.

Carol Burkett modeled a two-piece rayon print bathing suit, and a pastel print sun dress, from the Vienna Sport Shop.

Bullock's new cafeze, in white gabardine, with a lilac leisure jacket, were shown by Sallie Lockett. She also modeled two fly-front wool dresses, plaid and checked, with white and red gabardine jackets; and a lilac blazer style dress-suit with a buttoned skirt.

### TYPICALLY SPRING

Julie Martineau's print peasant skirt and blouse, from the Plaza Yarn Shop, was typically spring style for school.

A green plaid, long-sleeved blouse, and green slacks made a striking combination, worn by Ann St. Clair, from Milady's Jewels.

For evening, a lovely high-necked black net formal, from the Tailored Lady, was shown by Yvonne Provencher, who also modeled a black jumper and white, long-sleeved, draw-string blouse.

Joanne Whorton went typically Palm Springs in her green and white sun-suit, from Nobby Knit. She also showed a black taffeta jumper-style dress.

### FOR ATHLETES

For those athletically inclined, Babs Neel modeled a smart, white, trimmed in brown, tennis dress, with matching shorts. Also from Desmonds, she wore a blue and black print, silk crepe afternoon dress, and hat.

Shirley Renville wore a stunning black taffeta formal, trimmed in pink, from the Tailored Lady, and a pink gabardine suit, with a wrap-around skirt, from Bullocks.

A rayon print bathing suit from the Yarn Shop was shown by Barbara Croft, and a pink suit trimmed with flowers.

Clara Jane Lyter's two-piece print jersey bathing suit, wrap-around style, was a charming contrast to her red and white candy striped taffeta date dress, from Milady's Jewels.

### BEACH AND POOL

For beach and pool wear, Mazie Rice modeled a two-piece blue and brown print, silk jersey bathing suit. Her white net formal was also from the Tailored Lady.

Trudy Sawyer showed a pair of Bullock's pink gabardine cafeze, with a matching leisure jacket. From Nobby Knit, she wore mustard yellow jumper-style shorts.

Initiating the Western theme, to the tune of "I'm an Old Cow Hand," was Barbara Emigh, in a frontier outfit from Desmonds. Also from Desmonds, was a silk crepe date dress and black straw hat; and a print sun-dress.

Erica Orth showed, from the Vienna Sport Shop, a pastel plaid, cotton play dress, and a red, trimmed with white, bathing suit.

From the Plaza Yarn Shop was a print silk jersey bathing suit and tan dress-suit, trimmed in vivid colored flowers, worn by DeLorse Roth.

Joy Arkellian, modeling from Milady's Jewels, wore an aqua and black lace evening gown and a red and blue striped short suit.

### SOPHISTICATED

A sophisticated slit skirt outfit from the Tailored Lady, was modeled by Lila Lee Lilley, with contrasting hat and bag set.

A five-dollar purchase order from Desmonds was won by Mrs. Harold Lienau, at the raffle conducted at the close of the program.

## Indians Blank Foe In Fast Ball Game At Beaumont 5-0

Perhaps the 5-0 shutout handed to Beaumont last Friday on the Cougar's field is good omen for the Indians. It might be that this is the road to a league championship at long last. But the game today when we engage the Banning "ten," a team looking lots livelier this year than Beaumont, may turn the omen yet.

Playing on a large, smooth field, "Rookie" centerfielder, Larry Emerjian led off the Indians and the game with a two-base bingle over short, but died on second as Bell hit into a line-drive double-play, catching Emerjian off the bag. King of Beaumont gave a repeat performance, leading his team off with a hit but he too died on base as Hoskell popped to Outcault and Devers put the next two down on strikes.

### PITCHERS TANGLE

Action was confined chiefly to the pitchers until the third inning when the Indians buckled down. Emerjian got life on third baseman Sharp's error, while Bell grounded out, sending Emerjian to second. Sharp booted another on giving Outcault a ticket to first. Devers walked, loading the bases. Moseley then grounded to Sharp, who chose to throw Emerjian out at the plate. With two out and bases bulging, seasoned veteran Maurice Smith stepped up and laid out a three-base smash, clearing the bags.

Devers continued to lay down the Cougars, allowing them only three scattered hits, one each to Rios, Lazano and King. After a bad third inning, Rios cooled off and allowed the Indians no hits for three consecutive innings at bat.

### ALL GET CHANCE

Coach Thompson, meanwhile, chanced his second string in the fifth inning, putting Algase in at short center for Bell, (who will not see action the rest of the year due to a flag, a war and a recruiting sergeant), Moore in at first for Outcault, Ashley for St. George in left, and Benson for Peterson on second base, with Wills replacing Moseley at right in the sixth inning; and Rude for Algase, with Algase going to third in the seventh.

The seventh promised two more runs for the Indians with a base hit by Moore, a two-bagger by Devers, and safe hits by Wills and Smith for the final tallies of the game. Ritchie Rios sneaked in a base hit as Devers put the Cougars down in the seventh for the game.

## Sallie Lockett Adjudged Speech Contest Winner

Sallie Lockett was adjudged winner in the eighth annual community Lions Club Student Speakers contest held at the Desert Inn, Thursday, March 8.

Judging the talks on "What My Parents Mean to Me," also prepared by Cecelle Morris and Mortell Goldberg, were Florian Boyd, William Veith, and Raymond Cree.

As is customary with the winner of the community contest, Miss Lockett will compete in the zone contest to be held at Coachella, Tuesday evening, March 20, accompanied by Miss Mary Louise Gaylord, oral arts adviser; and representatives of the Palm Springs Lions club.

A special invitation has been extended Miss Lockett to give the winning talk at the Woman's Club on Monday, March 19.

of high school students, board of trustees' wives, women members of the faculty, faculty wives, store representatives, and members of the Woman's Club, were served refreshments of lime punch, sharmrock cookies, salted nuts, and open-faced sandwiches, in keeping with the St. Patricks theme, by the girls.

All girls in P.S.H.S. worked to make the show a success, under the direction of Miss Vash Hronis, faculty adviser, and Girls' League president, Sallie Lockett, assisted by Margie Reineman.

A special assembly was held during sixth period for the students who could not attend the Fashion Show at 3:15.

Mr. and Mrs. Walter Munroe, regular winter visitors for many years, are again enjoying Palm Springs weather as guests at the Desert Inn. They have many friends here. Their daughter, Joan is with them.

## Battle of Russia Concludes Series On 'Why We Fight'

Each consecutive Monday for the last five weeks, students have had the privilege of seeing a series of seven information films entitled "Why We Fight". Concluding the series of five released to the public, was "The Battle of Russia".

The film told of the long struggle of Russia to keep the invading armies from capturing her people, and submitting them to slavery. This is not the first time Russia has fought to the bitter end for existence. In 1242 she was attacked by the German Teutonic Knights. Again in 1704, Sweden invaded Russian soil, and in 1812 Napoleon made the mistake of attacking her. The Germans still didn't learn their lesson, and again in 1914 stepped on Russia. They were all defeated. With the odds against her, Russia has fought bravely on for over 700 years. Only a fierce love of country and a strong determination has made victories possible.

"The scale and grandeur of the Russia effort is the greatest in military history," quoted General MacArthur in the film.

The four preceding films were: number one, "Two Worlds," which showed the plans of the Nazis for world enslavement, and the treachery of the Japs at Pearl Harbor; two, "The Nazis Strike," the story of the betrayal of the small countries surrounding Germany; three, "Divide and Conquer," which let us know only too well the brutality of the trained Nazi soldier; and four, "The Battle of Britain," showing the fierce resistance of the English people.

Preceding the movies, reports were given by three council members on their activities throughout the year.

Assembly was dismissed with the singing of the Alma Mater.

## May We Introduce By MORT AND BOB

### THE BOY OF THE WEEK

This little character first opened his dim blue eyes to view a long beach. It is perfectly obvious that this was the exact situation because he was born in Long Beach, California, some time after 2,000,000 B. C. He wouldn't tell me exactly when. However, he carries his years very well. He doesn't look a day over eighty and there still appears to be a spark of youth in his meager existence.

From that first day when he was little bigger than his great uncle's grandfather's brother's right thumb, he has grown very little because he can claim to be but six feet and two inches from his toes to the longest hair in his poor swollen head.

Weighing something less than 200 pounds, our hero claims that next to food and broiled "garbage" on toast, there is nothing he would rather eat than turkey. When asked about the kind of music which rated strictly on the beam with him, he demanded seclusion. Finally, if I am not mistaken, the two words falling from his lips were Harry and James.

This character with the patch of grey in his otherwise brown hair claims cackling women to be his pet peeve. As a matter of fact, he can't stand anything that cackles. This is perhaps derived from the fear in his subconscious mind of some day being henpecked. Poor boy!

Other particulars are as follows: He is a brain, in his own individual way. Gary Cooper and Barbara Brittain are his favorite stars. "For Whom The Bell Tolls" was his favorite movie. Bright red is an outstanding color in this man's opinion and it is one of his most entertaining desires to be the sole owner of a "zoot" automobile of the same color in the near future. Well, let him dream if he wants to.

At the present time, California's future famous M.D. claims to have no love life at all but a junior himself, I've heard firsthand information that he and that new Junior gal, Mary Jo, are getting along pretty well.

With a magnificent flourish accompanied by a bow and a whispered apology, I present to you the man of all men, greatest scholar of them all, William Carey or "Just Plain Bill".

### GIRL OF THE WEEK

As I was standing in the local 5 and 10-cent store, carrying on a casual flirtation, in walked a covey of quail (Juniors). Remembering that I had been assigned May We Introduce, I selected a cute little sub-deb and proceeded to question her.

The answer to my first question revealed that she was born July 8, 1928. In sixteen long hard years she has grown to the great height of 5 feet and one-fourth inches, and weighs the sum total of 97 pounds.

One thing led to another and I soon discovered (by looking) that

## GAZOOZIT

Things are back in their normal run again and students are once more appearing on the campus disguised as human beings and in the familiar garb of same. Sighs of relief have been sighed more than once. Ah, the performance was a great success. This was confirmed upon close inspection of audience faces including those of the two immortals, Bing Crosby and Bob Hope. Bing was crooning under his breath while Hope's highly sensitive ski slide nose stood on end with each high note.

After such strenuous exertion as singing, dancing and acting upon the stage of the Plaza theater, everyone was in that mood which calls for celebration. Dart was ever-ready, so, per usual, everyone made their way to his place.

Another party over the weekend was reported to have taken place at Gloria Diamond's. Present were Wilson, Klug, Dart and millions and millions of others. There was dancing, games, and last but not least, plenty of good eats.

Couples reported at the cinema Saturday night were C.J. and St. George, Burkett and Wilson, Joe Brummitt and Joan Whorton, and Klub with Floy Palmer.

I saw DeLorse and J.B., Hookey, Dart and other 'drips' walking up the streets of Palm Springs Sunday afternoon. The fact that they were drips was purely resulting from the fact that they had all just been swimming at Dart's.

More than once this week, J.B. and Delano have been seen fighting over such a precious article as a pencil. They always end with verbal lashings concerning who would be most likely to win if worse came to worse.

Everyone seems to be pretty fond of Miss Hronis' hot rod. I've seen it more than once piled high to the point of over flowing with giggling Gerties on their way to and from school.

Five boys asked a certain little Freshman girl for a date for the same night. That's what I call magnetism. Buck up, you losing boys. You couldn't all take her out at once.

Galzie is quite the man with that maroon rod of his. More-over, besides being a rod, I'm pleased to relate it is accompanied by a steering wheel, gear shift and wheels which are sometimes actually able to turn. Impossible, improbable, and totally fantastic as my statement may appear on the surface, my proclamation was not a falsehood. It runs. I'm speaking of the automobile, not the statement.

Watching a Redlands basketball game Friday night, I've come to the conclusion that Redlands is about as good in basketball as we are in football. They lost the game.

Some new campus kids who enrolled this week are Jeraldine Smith, Juanita Tatro, and Tommie E. Hendrix. Jeraldine is from Salt Lake City, Tommie from Arkansas, while Juanita reigns from Inyokem, California.

Well, that's about all the news and odds for this week, but before I replace the top to my trusty old pen, I would like to say that we are all going to miss Bob Bell and his 'ringing' personality more than we can properly put on paper. He's a swell guy and we all hope it will not be long until we see him again. With a fellow like that in there pitchin' the war ought to be a thing of the past before you can say "that's 30 for now".

she has brown eyes and light brown hair. Her favorite color is Kelley green.

When it comes to food, she will take tacos. As for her favorite band, it's Stan Kenton, and her record is "My Heart Sings".

The next question about her love life, brought forth the snappy remark, "I love everybody". Her pet peeve is, I quote: "People who voice their opinions on something they know nothing about".

Her pals are Julie, Hookey, Imogene and Delores. Do you know her? If not, may we introduce Carolyn Hogg.

## Western Theme Accentuated at Freshman Dance

After accumulating the sum of \$23.20, the Freshmen will give a dance featuring the Western theme, March 23, announced Coni Tilghman, president of the class on Monday afternoon.

It will be held in the auditorium at 8:30 and the price per couple will be \$1.10. Singles will sell for seventy-five cents.

Some entertainment will be featured during the dance but what the class is planning for the student body's enjoyment, has not been revealed.

There will be refreshments and lots of people dressed up in their western regalia to look at, so even if you don't care to dance, why not come stag and enjoy the fun? This dance offers a lot more than getting ones' feet hurt.

## Trip to Tahquitz Canyon Enjoyed By Hotel Guests

In picturesque Tahquitz canyon, guests of the Desert Inn enjoyed a delicious lunch after a ride to the falls via Bob Bennett's burro train, Tuesday. For the visitors it was a great day all around from the start at the "depot" to the falls.

The burros, particularly "Mary Ann," the baby, caught the eye and affection of the throng immediately and "Mary Ann" was allowed to join the party and "tote" the lunch baskets.

Lunch was eaten under tall Sycamore trees while Bob Bennett spun tales of the folk-lore of the canyon.

Those in the party were Mrs. Henrietta Young, hostess at the Desert Inn; Miss Scribner Sweeney of Cleveland, Ohio; Mrs. T. A. Peterman, Vancouver, Wash.; Mrs. Arthur Silverstein, Tacoma, Wash.; Mrs. Bobby K. Stubbs of Palm Springs, and her daughter and son-in-law, the Albert Shells of Spokane, Wash.

## New Guest Ranch Planned Here by San Franciscan

A new guest ranch, along the best lines, will be built soon after the war by Samuel H. Levin, San Francisco theater man, he said this week. He is now awaiting word on priorities for the project.

Mr. Levin recently purchased 50 acres adjacent to the La Paz and the Planning Commission two weeks ago approved plans for the ranch.

First units, said Mr. Levin, will cost approximately \$300,000 and the project when complete, will represent a half million dollar expenditure.

Plans for the buildings have been drawn by Wayne McAllister, Los Angeles architect, who designed the Rancho Hotel at Las Vegas.

Mr. Levine is staying in Palm Springs at the La Siesta bungalows.

## Annual Gathering Of P-TA Scheduled For Next Monday

Annual meeting of the Palm Springs Parent Teachers association will be held in the cafeteria of the Frances Stevens school Monday, March 19 at 8 p. m.

"In order to close the year it will be necessary for a quorum to be present," said Stanton Griffing, president. "It is hoped that there will be sufficient attendance from among the hundred members of the association to act on the report of the president and lay plans for the coming year's work."

"We have been successful in our efforts in Cahuilla and Cathedral City schools where there are lively sections but in the other schools of the district only negative report can be made. The education and rearing of our children is of such vital importance to every parent that special effort should be made to consider the matter of supporting or discontinuing the Parent Teachers association as an agency to accomplish the purpose."

## Winter Visitors At Desert Inn Aid Local War Effort

Maintaining its record for over-subscription in all drives, Palm Springs does not forget to be patriotic even between campaigns. A war bond table has been maintained in the lobby of Desert Inn for the past two months. With the volunteer service of Mrs. Mallory Enos representing the A. W. V. S. in this resort, a total to date of \$15,750 has been subscribed in War Bonds, and \$210 worth of War Stamps. The table is staffed only through the luncheon and dinner hours.

Mrs. Enos, a San Franciscan spending her first season in Palm Springs, has no assistants and seldom misses a day in making her two appearances in the lobby. Before coming to the desert, she worked at the bond booth in the Fairmont Hotel, which is her San Francisco home. The volunteer worker is enthusiastic in her praise not only of the guests' response, but also for the excellent spirit shown by the Inn's employees in helping to raise her sales.

## CAPT. CUTLER HERE

This has been a happy month for Mr. and Mrs. Frank Cutler, local residents, who have had their son, Capt. Robert Cutler, home after 30 months overseas duty in Italy. He was honored at the dinner dance in Desert Inn Saturday evening when his parents were hosts. Others at the party, which served as a farewell to the young officer, were Mrs. Robert Cutler, Mr. and Mrs. Leonard James and Mrs. Arthur Lombard. The Jameses entertained the group at cocktails in their home before the dinner. Capt. Cutler will report back to Italy later this month.

Mrs. Charles Hartmetz, who is vacationing at Desert Inn with her daughter, Mrs. Frank Nugent, invited a small group into their cottage Saturday afternoon for an informal cocktail party.

## MRS. NUGENT HOSTESS

Mrs. Nugent reserved a table for the dinner dance that evening and asked as her guests: Mr. and Mrs. Charles Kirchen, who are holidaying here from Holland, Mich.; Miss Olive Brown, of Chicago; Mr. and Mrs. Harry Todd, Mrs. John Snyder, Capt. and Mrs. Paul Sommer, the hostess's daughter, and Mrs. Hartmetz.

Wives of two high ranking army generals shared honors Monday at the luncheon party given in De Anza room of Desert Inn by Mrs. A. B. Jones, wife of the commanding officer of Torney Hospital. Her honorees were Mrs. Willum White, wife of Gen. White, who is in command of Mira Loma Supply depot; and Mrs. H. T. Burgin, wife of Major General Burgin, who is serving in the Pacific theatre of war.

Others in the party were Mrs. Noble Banks, Mrs. Upham Bigelow, Mrs. Philip Boyd, Mrs. Ed-

## Army Nurse Bride Of Naval Officer At Ceremony Here

The Palm Springs Community Church was the setting Saturday evening for the candlelight double ring wedding ceremony of Mary Carmaleta McDonnell, 1st Lt., Army Nurse Corps, and Ora Le Roy Van Scyac, Jr., Lieutenant Junior Grade, U. S. Navy. The Reverend J. Robertson Macartney officiated.

The bride's gown of white marquisette over white satin was fashioned with sweetheart neckline. She wore a shoulder length lace veil held in place with gardenias and carried a bouquet of white roses.

Mrs. Ben Martin of Fullerton, California, her lifelong friend and attendant wore a bouffant frock of yellow tulle and carried a French bouquet.

The blue spring ensemble of the bride's mother, Mrs. Harry McDonnell was enhanced with orchids.

Lt. Van Scyac was attended by Eugene Nokes of Oceanside, California, cousin of Lt. McDonnell. Guests of honor were Major Edna M. Traeger, Chief of the Nursing Branch at Torney General Hospital, and Captain Lillian Smith, assistant Chief of the Nursing Branch there.

Lt. Van Scyac is the daughter of Mr. and Mrs. Harry A. McDonnell of Mt. Vernon, Washington. She met Mr. Van Scyac while both were students at the University of Washington. She has been serving with the Army Nurse Corps for the last two years and before coming to Torney had been stationed at Fort Lewis, Washington.

Mr. Van Scyac, for the last two and a half years a pilot in the Naval Air Corps, has been stationed at the Naval Air Base, Boston, Massachusetts. He is the son of Mr. and Mrs. Ora Le Roy Van Scyac of New London, Iowa. Following a wedding reception in the Blue Room of the Chi Chi the couple left for a short honeymoon near Palm Springs.

## First Rehearsal For Eastern Dawn Service is Held

First full size rehearsal of Eastern Sunrise services was held last Sunday with 50 singers present, under direction of Holly Lash Visel, musical director of Community Church, in charge of the program. Another 25 singers are now in rehearsal and an augmented choir of 70 voices will greet Easter Dawn.

Four trumpeters from the army air base and four from Torney General Hospital will inaugurate the sunrise service and will herald the appearance of the sun over the horizon. The augmented choir will be accompanied by the 21st Ferrying Group band from the air base.

Ted Reed's radio shop is supplying the technicians for the public address system and the Blue Network technicians conferred with Mrs. Visel this week to iron all of the kinks out of the program.

Hearty cooperation is also being received from Walter Kofeldt, secretary of the Chamber of Commerce in making the program a success.

Many Villagers are already writing their friends elsewhere to tune in on the Blue Network Easter dawn to hear the local service.

Subject is "Substance"

The Golden Text of the Sunday  
Lesson-Sermon on "Substance" in  
all branches of The Mother Church,  
The First Church of Christ, Sci-  
entist, in Boston, will be this verse  
from the Psalms: "For ever, O  
Lord, thy word is settled in  
heaven."

A Lesson-Sermon selection from  
Matthew states that "Jesus called  
his disciples unto him, and said, I  
have compassion on the multitude,  
because they continue with me now  
three days, and have nothing to  
eat: ... And his disciples say unto  
him, Whence should we have so  
much bread in the wilderness, as to  
fill so great a multitude? And  
Jesus saith unto them, How many  
loaves have ye? And they said,  
Seven, and a few little fishes. ...  
And he took the seven loaves and  
the fishes, and gave thanks, and  
broke them, and gave to his dis-  
ciples, and the disciples to the mul-  
titude. And they did all eat, and  
were filled."

Mary Baker Eddy says in "Sci-  
ence and Health with Key to the  
Scriptures": "Jesus walked on the  
waves, fed the multitude, healed  
the sick, and raised the dead in  
direct opposition to material laws.  
His acts were the demonstration of  
Science, overcoming the false  
claims of material sense or law."  
"A miracle fulfills God's law, but  
does not violate that law."

## Final Sundays in Lent Important Ones for Church

The next three Sundays will be  
important ones at the Commu-  
nity church, Dr. J. R. Macartney,  
pastor, said today.

Starting with special services  
this Sunday, continuing through  
Palm Sunday when the church  
anniversary will be observed and  
climaxed by Easter with its many  
services, the next three weeks  
will be eventful ones.

Chaplain (Captain) T. C. North-  
rup will be the guest speaker at  
next Sunday's services. A new  
government film on rehabilita-  
tion of wounded servicemen will  
be shown in the evening.

The 28th anniversary of the  
founding of the Community  
Church will be observed on Palm  
Sunday, March 25. On that occa-  
sion the newly organized chap-  
ter of the De Molay will attend the  
services in a body to hear an ad-  
dress by Dr. Macartney.

Week and a special two-hour ser-  
vice, from 12 noon to 2 p. m., will  
be held Friday. Holy Commu-  
nion will be administered twice  
during the service which is so ar-

## THE OBLIGATION OF EVERY AMERICAN

Giving to the Red Cross is an obligation—and a  
privilege—because the Red Cross is YOU. It is  
supported entirely by voluntary contributions. If  
you want the Red Cross—and you do!—you must  
support it.

To our men in uniform, the Red Cross is a  
precious gift from home... blood plasma to save  
life... sweaters and socks, cigarettes and other little  
comforts lovingly donated... a smile from an  
American girl in a lonely land...

To the boy in an enemy prison camp it's the  
life-saving packages and letters delivered behind  
barbed wire...

To the hungry, the sick, the wounded, every-  
where, the Red Cross is a tangible expression of  
the warm, compassionate heart of America...

To you, the Red Cross is a personal represen-  
tative to suffering humanity and to your men in  
the armed forces.

# LET PVT. JOE JENKS TELL YOU WHERE YOUR *Red Cross Money* GOES

Pvt. Jenks is just another G.I. Joe! He's your—son, brother, sweetheart or husband! We've called him Jenks—but his name is legion!

**The second day out.** We sure felt bucked up when we got those Red Cross ditty bags. We knew we weren't forgotten.

**The wife's doing fine.** She came through her operation in good shape. The Red Cross Field Director delivered the message to Joe in his foxhole.

**A home overseas**—Just stepping inside those Red Cross clubs does a guy good. Home doesn't seem so far away!

**Thanks for my life, folks.** What a team you, the medical corps, and the Red Cross make! You gave your blood! And it saved my life.

**Back to civilian life.** The wise veteran goes to the Red Cross! There they know the answers and are ready and anxious to help an ex-service man with his problems.

## GIVE NOW—GIVE MORE

If you've got a man in service—if you *know* a man in service—give for his sake. Give so that the Red Cross can give to him!

Your money may help to get a message home to you. It may pay the cost of collecting blood plasma for him! It may pay the cost of delivering a Red Cross package to an American prisoner of war. It will help pay for the thousand and one services the Red Cross performs—to keep up the spirits of our fighting men—to help save their lives. The more you give—the more the Red Cross can give! Let your *heart* be your guide! And don't delay—give *today*!

**ATTENTION  
Citizens of Palm Springs**There has been some misinformation given out concerning  
the practice rights and eligibility of physicians and surgeons  
holding the degree Doctor of Osteopathy (D.O.), and we wish  
to clarify that status.Any holder of a physician's and surgeon's certificate, whether  
he has the degree Doctor of Medicine (M.D.) or Doctor of  
Osteopathy (D.O.), must have complied with the educational  
requirements provided for under the State Medical Practice  
Act, and passed an examination given by constituted repre-  
sentatives of the State of California and have been declared  
eligible by the State of California to practice as a physician  
and surgeon. A doctor with this certificate is enabled to en-  
gage in all types of practice for which hospitals are used.  
There is no distinction between degrees.We do believe that Palm Springs needs a hospital; however,  
we object to the building of a work shop, by public subscrip-  
tion, for the exclusive use of one branch of the healing art.The hospital, as now planned, will not be open to everyone in  
the community. This means that any citizen, whether he  
subscribed to the hospital fund or not, cannot use the facilities  
of the hospital if he employs a physician and surgeon holding  
the D.O. degree. He is forced to employ a physician and sur-  
geon holding the M.D. degree, or else go to another hospital.According to the Business and Professions Code of the State  
of California, there is no logical or legal reason why the public  
cannot have free choice of physician and surgeon whether the  
degree is M.D. or D.O., or whether the patient is to be treated  
in an office or a hospital.This is your community, and you should have the privilege of  
deciding what type of service you want when you are sick.We are asking you to write the following statement on your  
check or pledge: "Acceptance of this check, or pledge, is on  
condition that the Community Hospital and all of its facilities  
be available to any duly licensed physician and surgeon".

Yours for democracy in health problems,

## BY THE PINCH-HITTER

As I was racking my brain for news and looking for an inspiration I just saw one of the prettiest rainbows one could ever wish to see. But—the most impressive one I have ever seen in sixteen years of living on the desert was one at 9:30 p. m., and caused by the moon rather than the sun.

The Pot-luck dinner at the Town Hall last Wednesday eve was well attended. The pictures of Old Mexico shown by Mr. Dale and Mr. Brainard were most interesting. The picture of the bull fight reminded me of hearing former Mayor Walker remark at a rodeo "After many years of hearing and seeing the Bull thrown in New York, this is the first time I have ever seen the real thing thrown in the open."

Mrs. John Cason was honored with a stork shower given by Mrs. Dorothy Crawford and Mrs. Evelyn Camp at the lovely home of Mr. and Mrs. Frank Russell. Mr. Cason and young son, Danny, were guests also and the only two men among the gang of women. Both, however, weathered the ordeal in good condition.

Mr. E. J. Wheeler called in person this week to announce that they like their new home in Hemet, that the climate is perfect, and that it is a good place to get walnuts. Mr. and Mrs. Wheeler formerly owned and operated the Totem Pole Cafe. We miss them and hope they are not too taken up with the charms of Hemet valley, and will return to the desert eventually.

Our local postmaster was passed a letter from a postmaster up north and here are some excerpts from it: "I had a 100% labor turnover in the post office this year. I spent a lot of time training new help just to have them quit. Seems like everyone wants to work less and get more for it even though it should be just the opposite. Everyone is upset and unsettled. It will be a grand day when the war is over." Now I will get my two-bits in with this observation that if postal employees were paid as well as other branches of labor, the turn over would be much less. And we will all agree with him about the war.

Which also reminds the Pinch-Hitter that there are many drives on—the Red Cross, Chamber of Commerce Membership, and the New Hospital. These are all worthy organizations and do good for our community so let's all get in and drive. Remember, no one is taking a shot at us and we can at least stand up straight—not crawl in mud and muck of a fox hole like our own husbands and brothers are doing this very minute in foreign lands—so let us sacrifice too and give until it actually hurts. This hurt will heal more quickly than theirs.

Mrs. Marie Ide, who fell with and armful of milk bottles and received a badly cut wrist, is back at her duties as Librarian and part time postal clerk.

We attended the Operetta "Harmony Hall" given by the Palm Springs High School and thought it very beautifully presented. Space doesn't permit us to compliment each one individually but we must say we were mighty proud of the Cathedral City young men and women who took part. They all showed talent and it should be encouraged.

Right now we are having a "heavy mist". Some people "ain't gonna like it" but these same people will go into raptures over the desert flowers that follow such heavy mists.

Our deepest sympathy goes to Mrs. Ora Gephert in the loss of a beloved sister, and to Miss Jeffie Featherston in the loss of a cousin.

We welcome Mr. and Mrs. Charles Small of San Diego, Mr. and Mrs. Frank Lyman of the De Luxe Trailer Park, H. P. Lee, Mr. and Mrs. Charles Cox, Mr. and Mrs. H. P. Garrett, Mrs. Howard Welsh and son, Mrs. Dorothy Tice and son, Mr. and Mrs. Howard Arnold, Mr. and Mrs. D. H. Pope.

Adios to Mr. and Mrs. O. P. Davis, Mr. and Mrs. J. S. Harbour, Mr. and Mrs. Michael Kaatz, the Pinch-hitter.

The seventh birthday of the Woman's club was celebrated with a potluck supper for the members and their families Wednesday, March 7, 35 attending. The hostesses in charge were Mrs. Edna Peterson and Mrs. Edna Cobb.

After the supper, moving pictures in technicolor of local scenes and the desert were shown by Mr. Dale of Springfield, Mass. Mr. Dale is an ardent camera fan and the pictures were greatly enjoyed. He and Mrs. Dale will leave shortly for their home in Springfield after having spent the winter at Desert Lodge. In the absence of Mrs. Edna Laas, president, Mrs. Lucy Jo Abels, vice-president, presided. The next meeting will be a luncheon at the Tahquitz hotel, March 21, when the officers for the ensuing year will be installed.

Mrs. Craig: Good morning, Mrs. Hood. Isn't this a beautiful day?

Mrs. Hood: It is so perfect we feel we never want to leave Palm Springs. And we have decided to buy a home if we can find a good buy.

Mrs. Craig: See KATHERINE POLLAK in the FOSTER REAL ESTATE OFFICE. She told me about a three-bedroom house for sale for \$14,000. It's furnished and walking distance from town.

Mrs. Hood: That may be just the place for us! I hope it isn't sold before we have a chance to see it.
